

Multi Treka

A superb tri-axle trailer designed to carry up to three horse/ponies depending on the size and weight of the animals.

The seven foot wide body enables horses to turn easily. It has three fully adjustable

partitions, arranged diagonally for comfortable travel. A low wide ramp together with the light spacious interior encourages even the most reluctant traveller. The living area is fitted to a high standard providing luxury overnight accommodation for two people.

Standard Model Features

MAIN BODY

Chassis	Strong galvanised steel chassis for long maintenance free life.
Axles	Tri-axle.
Suspension	Independent suspensions for a comfortable ride.
Wheels	Six fully braked wheels with low profile tyres and spare included.
