

Rear facing Horse travel

Space Treka

A brilliant self contained horse trailer designed to carry all the tack and equipment required for yourself and two horses whilst remaining compact and easy to tow.

The totally separate tack room and changing area is fitted with two saddle and bridle racks, coat hooks and ample room for all your equipment.

This added comfort and convenience make show days so much more enjoyable. The low wide side ramp makes loading far easier and safer and rear facing travel is proven to be less stressful.

Available in two sizes:

Space Treka 'M'

Carries two horses up to 16.2 hands

Space Treka 'L'

Carries two horses up to 18 hands.

Standard Model Features
